Central High School

Burlington, Illinois

We the "Rocket" staff of Central High School Dedicate this 1978-79 yearbook to Mrs. Schultz, our yearbook advisor.

Mrs. Schultz came to Central at the end of the first semester becoming the third yearbook advisor, in one year. Assuming the responsibilities of sponsoring the yearbook and advising the yearbook staff, Mrs. Schultz's enthusiasm and encouragement were contagious. Her contributions to the yearbook's success are far too many to list, but will always be remembered by the people she worked with and inspired. We are grateful for her strength and guidance, and would like to extend our most sincere Thanks.

SPECIAL THANKS to: Mr. Lund and Mr. Perry for taking pictures for the yearbook; Ted Carlson for taking spring sports pictures (you're a lifesaver!); Mike Kruse — who designed the Rocket on the cover of the yearbook; and Mrs. Gray — who helped me many times with yearbook.

Thank-you,
Theresa Braun

Freshmen Take The Opportunity To Become A Part Of High School

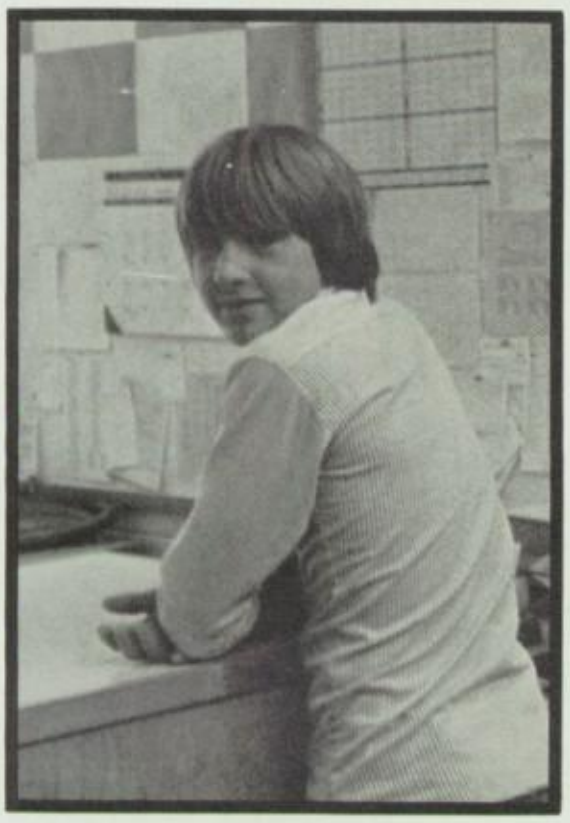
This year, the Freshmen participated in many activities. These included: the building of a Homecoming float, selling candy, and sponsoring the Sadie Hawkins Dance.

The freshmen won second place for their Homecoming float, and were represented by John Tykol and Donna Thomas at the Homecoming Dance.

The freshmen were well represented in all high school sports, too. The volleyball team contained 12 freshmen girls out of a total of 17 participants. The boys helped both the football and basketball teams to obtain a winning season.

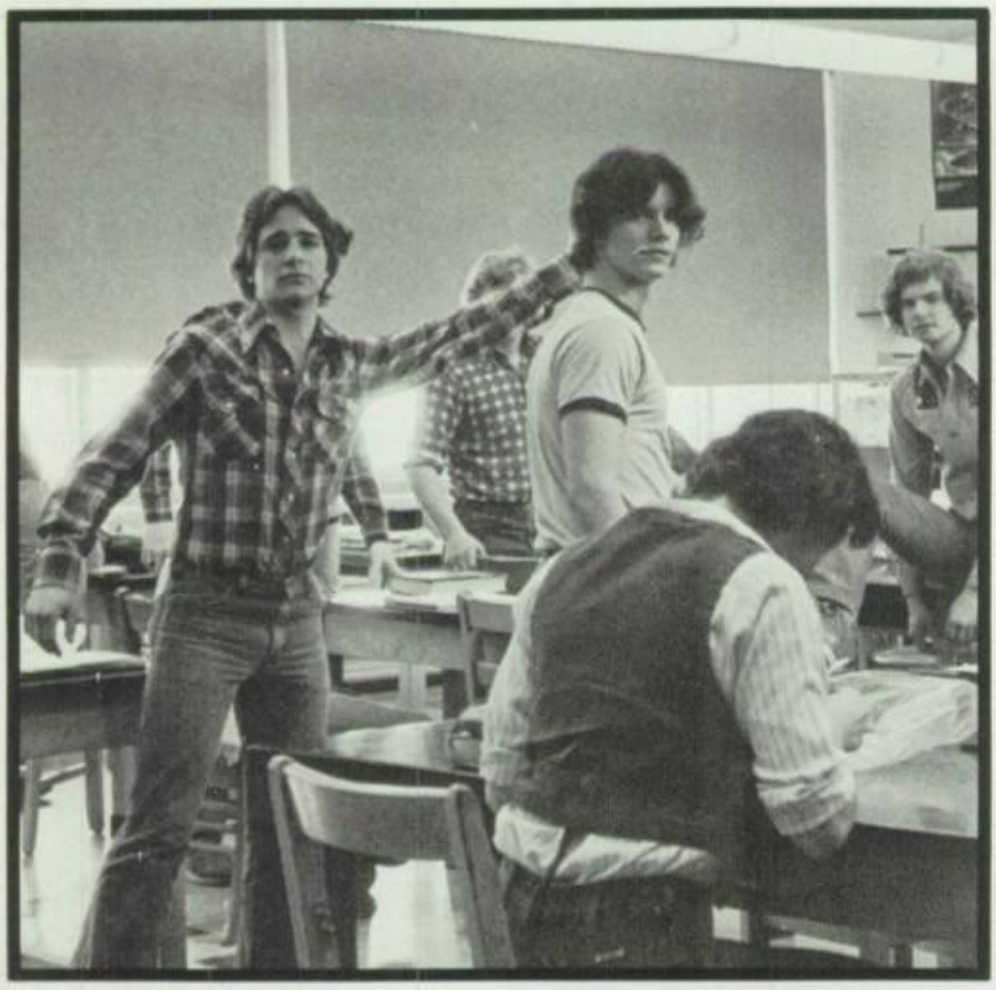
Our theatrical freshmen were: Ken Fredrickson, Mark Knief, and Steve Becker. Barb Johnson had the privilege of being the student director of the Spring Play, which is an honor that usually goes to a senior.

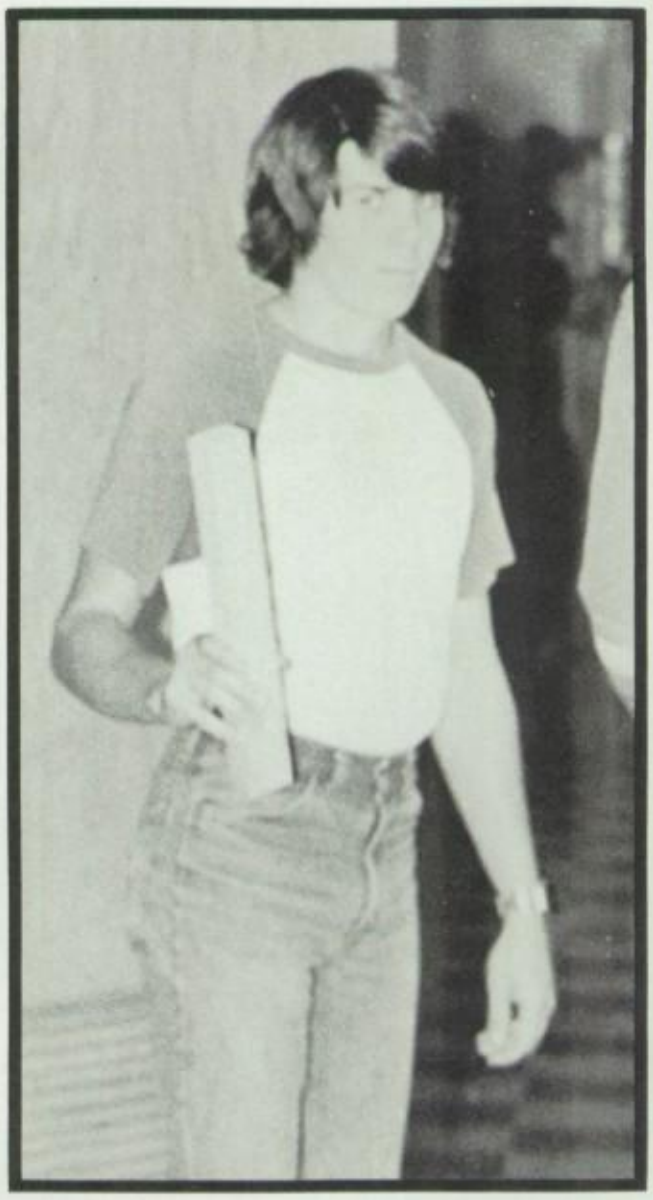
All in all, this certainly was a year to remember!

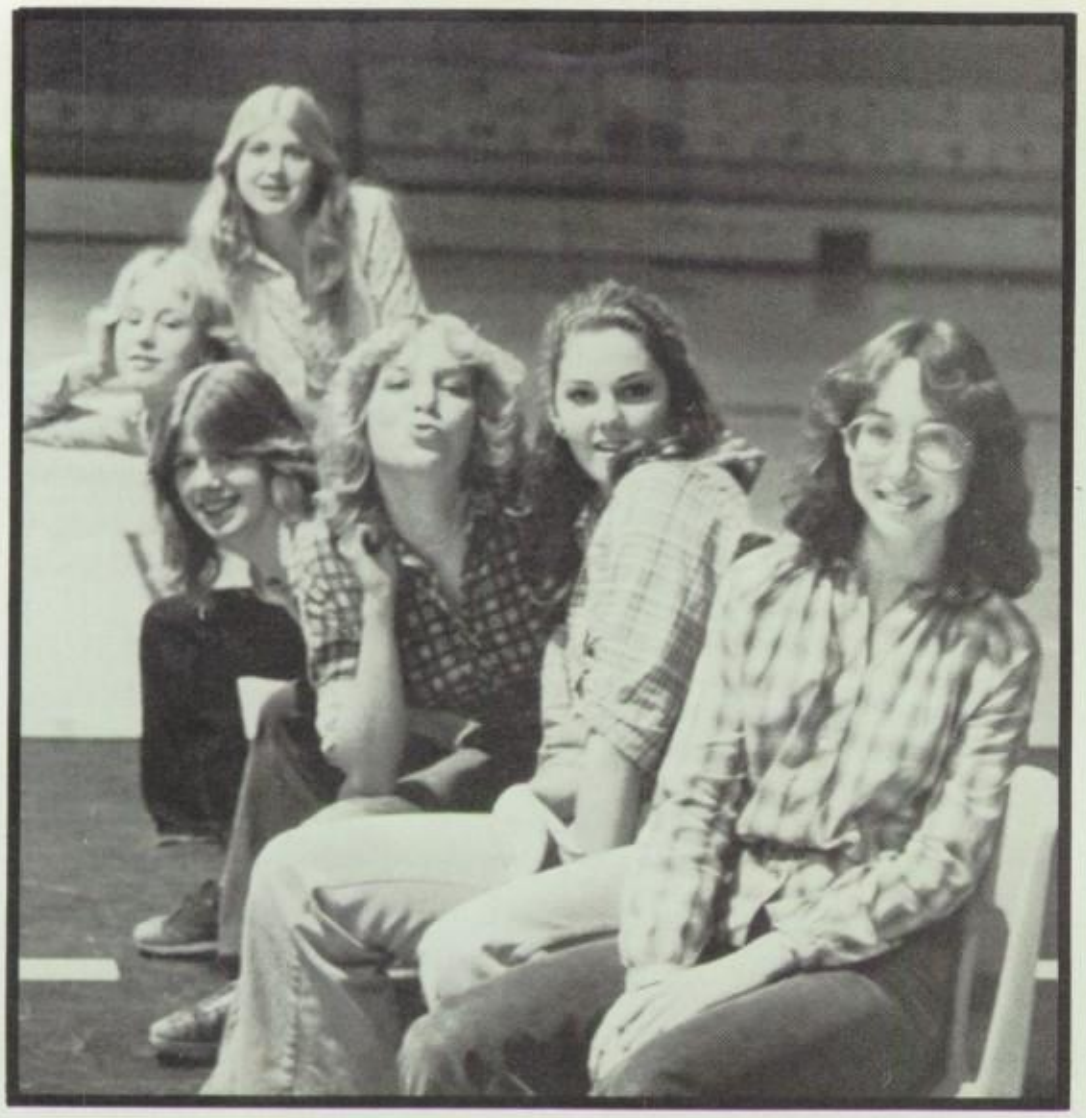


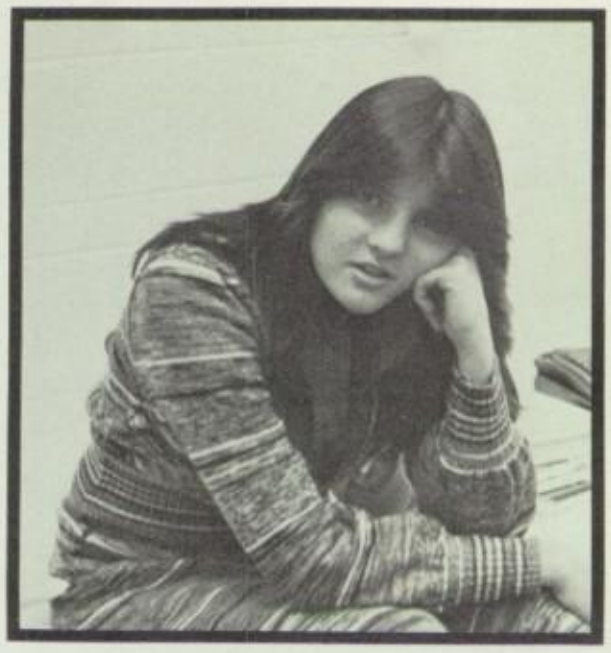
Sophomore Madness

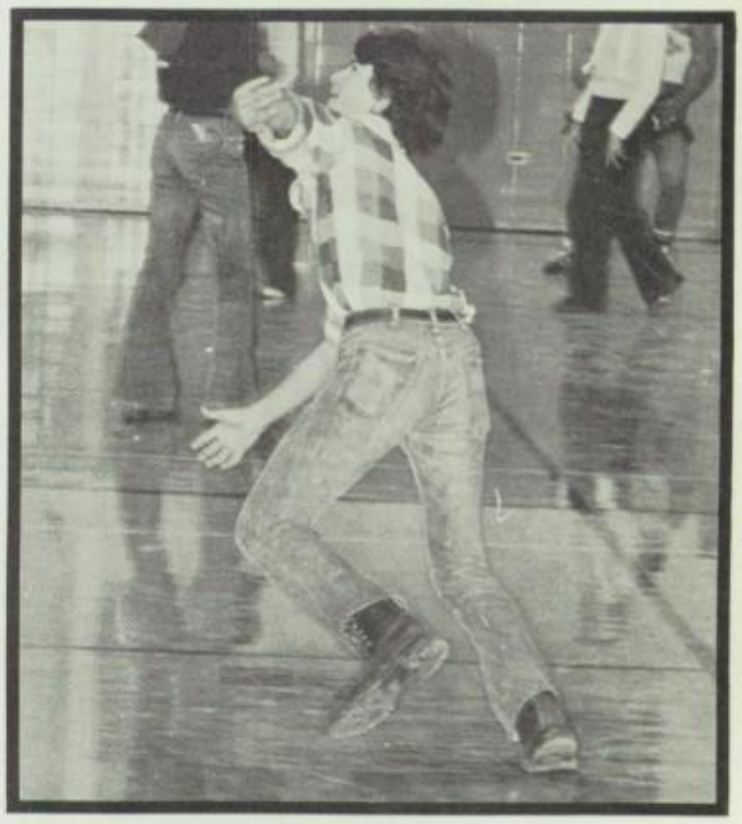
Sophomore Class Officers: Linda Westphal- Treasurer; Barb Lund- Secretary; Mike Medina- Vice President; Kim Hartmann- President.











This years Juniors, were very busy. Among their money making projects, they had the basketball concession stand, candy sales, and doughnut sales. The Juniors also sponsored a donkey basketball game, which was a huge success. The Junior-Senior Prom also sponsored by the juniors, was held at the NIU Ball Room, which turned out to be quite a success.

PQR STUVWX (WHY) Z

Why study? Why indeed, when there are so many more fascinating things to do with your time like — showing a film you made in sixth grade before graduation, hunting guys at basketball games, listing the ingredients of Big Macs (there are seven), or participating in the Friday night "Montague 500." After you had done all these things, you went home to relax . . . only to find piles of unopened books staring at you. "Open me, or die," they cried, with death being synonymous with never seeing the family car again, or never getting Grandma's graduation gift because you's never graduate. So, on you go to your books, first determining where you could best concentrate. In a quiet room? (Not without the Loop on the radio.) During lunch? (OK, but not on a day when pizza was being served.) With your boyfriend? (Well, you could always SAY you were studying . . .) Once down to the serious business of actually doing your homework, you had to decide on the quickest way to finish the most work with the least amount of effort. The best way, of course, was to call up a friend who had already done the history assignment and just copy his papers. For chemistry, you bribed your older brother to do the work, promising in return to keep quiet about last night. Then you coerced Mother into typing your English paper, while making necessary changes in the name of family pride. That left you just enough time to read **The Red Badge of Courage** in the Cliff Notes version. Crane should have written like that in the first place. But, on a bad night, when all else failed, you actually did do a little honest work yourself. You were able to tolerate even that until you realized you were the pawn in a sadistic plot to drive you insane. The teachers actually were trying to destroy you by getting together and planning it so that all your tests, projects, notebooks, and papers for the quarter would be due during the same week. Well, you decided, you'd show them. You weren't the type to be pushed around like that. You just didn't do any of the work. So there!

You've Got The Cutest Little Baby Face

Jr. High "A World Of Their Own"

The Jr. High, each year, is becoming more and more emancipated from the Sr. High. With the forming of a Jr. High Student Council, a few years ago, the Jr. High has been able to constitute and participate in self-prepared activities. These have included dances, rollerskating parties, and activity nights. An exploratory program is also included among the classes the Jr. High take. Spanish, typing, industrial arts, agriculture, and art are the classes the students part take in; this gives the students a greater insight into the classes they will be offered as a senior high student.

An important part of Central's extra-curriculum activities are its organizations. They offer a special extra to a student's long day of books and study. The organizations give the students a chance to expand their interests and pleasures. Individuals are able to join various CHS clubs to further their hobbies, skills and social development. They (organizations) help to better the individual, school, and community. These clubs provide worthwhile activities ranging from chess matches to expanding insight of future careers. The 20 different organizations, at Central, offer students a chance to explore special interests.

Marching Band

In his second year at Central, Gary Tipps, our band director, has accomplished many achievements. This is the first year the marching band has performed in the Pumpkin Festival Parade, at Sycamore, and also marched at various football games, and in the Homecoming parade. In addition the band performed many conccerts, in which all the members did very well. Many thanks go to the Mothers Club for purchasing new band uniforms, which are terrific.

Crimson Masque

This year Crimson Masque put on two plays: "The House at Pooh Cormer" and "You Can't Take It With You." Both were tremendous successes, the former attracting a wider variety of people; both young and old came to see the play. The members helped to prepare for the plays by putting on make-up, selling tickets, Constructing the set, and advertising.

Crimson Masque did something special this year. They took "The House at Pooh Corner" to St. Joseph's Hospital and gave a performance for the children. They also brought the play to the grade schools and thrilled the kids with a shorter version of the "Winnie the Pooh" play. For a special treat, the members of Crimson Masque went to see "The Wiz" at the Civic Opera House.

Orchesis

Due to a late start in the season and rehearsal conflicts, Orchesis did not present a dance concert this year. Despite this, the club was busy choreographing and practicing dances. Many Central High School students have gained a step on other students in the "World of Work" through the training at the Mid-Valley Vocational Center.

Training in more than 14 vocational areas are offered through Mid-Valley. These familiarize the student with occupational requirements giving students a chance to choose an occupation that would suit them best.

Mid-Valley's goal is to give students entry level skills in a vocational area. It's success can be rated by the number of students who enter the work world during or immediately after the center's training.

Office / Kitchen Help

Any student who had the chance to be in the office before school, knows of the total chaos the secretary went through, each morning. If a student didn't need an absence slip, they needed a lunch ticket, or a note signed. If that wasn't enough for Mrs. Ellman, our secretary, to do, she had numerous other things to accomplish before the day was over. For this reason, a select number of girls were chosen to help the secretaries out. Each day the girls would help with the typing, running errands, and answering the telephones. They were always on the go.

For the many devoted students who worked in the kitchen, helping the cooks, deserve a lot of thanks for their service to all the hungary people at C.H.S.

Office Help: Tammy Sunderlage, Linda Petry, Terry Heading, Kim Hartman, Patrisia Carroll, Robin Ditman, June Nissen.

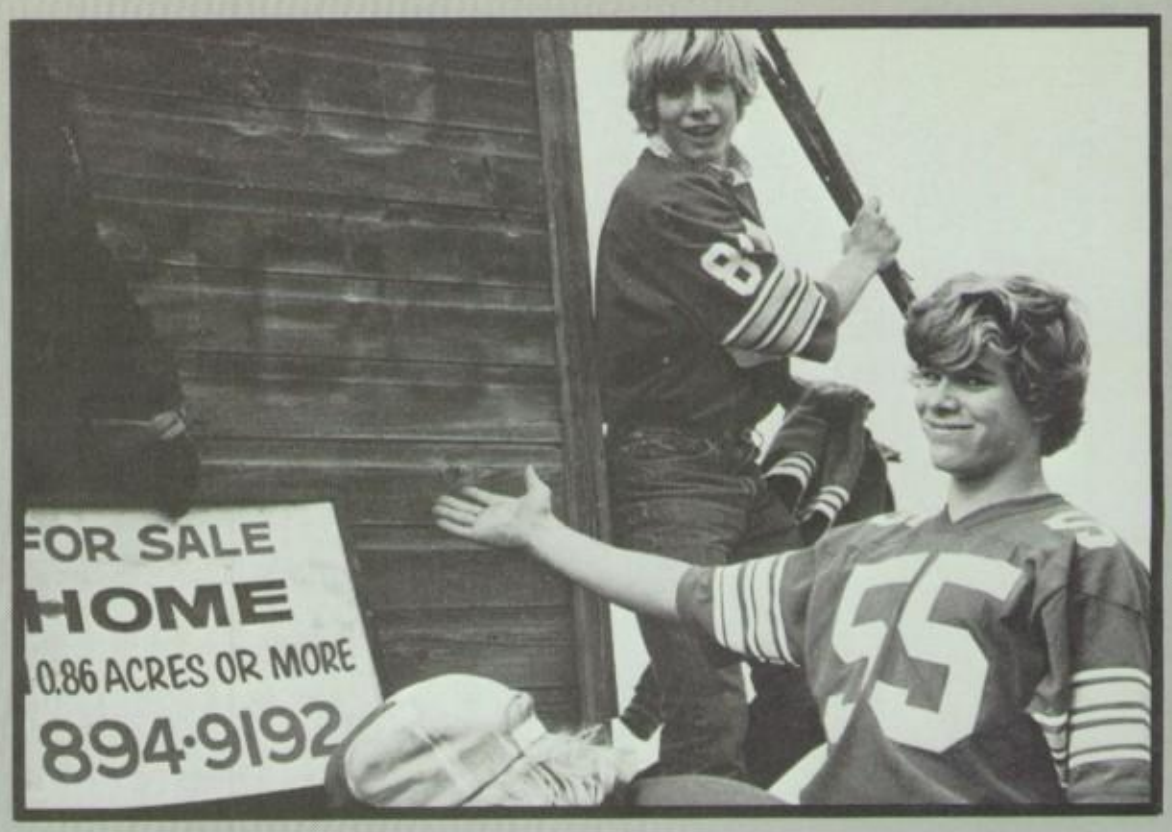
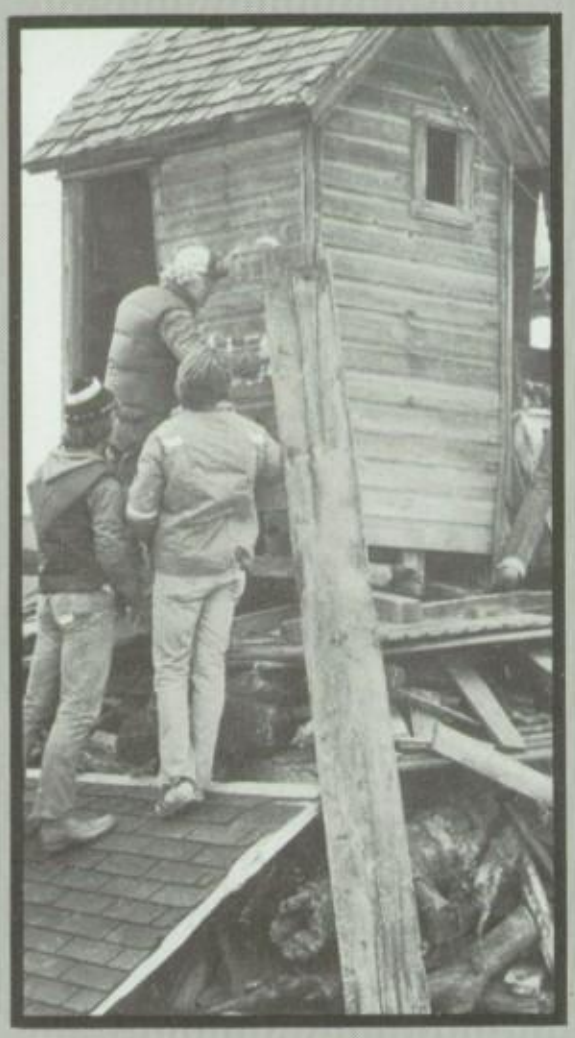
Cross Country

This year's Cross Country team posted a losing record, but proved their skill by running well. The team faired well in dual meets, but had trouble in the larger meets and invitationals. Mike Wills, the team's #1 runner, came close to breaking Central's home course record, (held by Mark Drendel with a 16 min. 20 sec. timing) by running the course in 18 min. 12 sec. Tim Richter als came close to the record by running the course in 18 min. 16 sec. Mike Wills was voted Most Valuable Player, and Matt Krup was voted the Sophomore Most Valuable Player. Tim Richter was voted Captain and Guy Czymrid received the Coaches Award.

Homecoming '78





Homecoming is Central's one big festive occasion of the year. It not only allows for the students to participate in the activities, but the alumni and parents, too. The Homecoming activities began Monday with "Spirit Week", and a massive effort of gathering wood for the bon fire. Friday afternoon, the cheerleaders held a pep session in which all the students and teachers participated in raising the spirit and morale for the big football game, Saturday. After school, a procession, led by the marching band, followed by various floats, paraded through Burlington. A $50.00 prize, offered by the Student Council, for the best float, went to the sophomore class. Friday night, the senior class of '79 sponsored a spaghetti supper and bon fire. Despite a windy day, the seniors were fortunate to have the bon fire, which turned out to be quite a success. Saturday celebrated the annual football game and dance. The Rockets had their Homecoming Victory by whopping Earlville 61 to 12. That night, the sophomore class sponsored the Homecoming Dance. The lights were low, the music was good, and the gym was filled with color and variety. The students, teachers, and alumni danced to the music of "Full House." This was the setting for the finale of the 1978 Homecoming festivities.

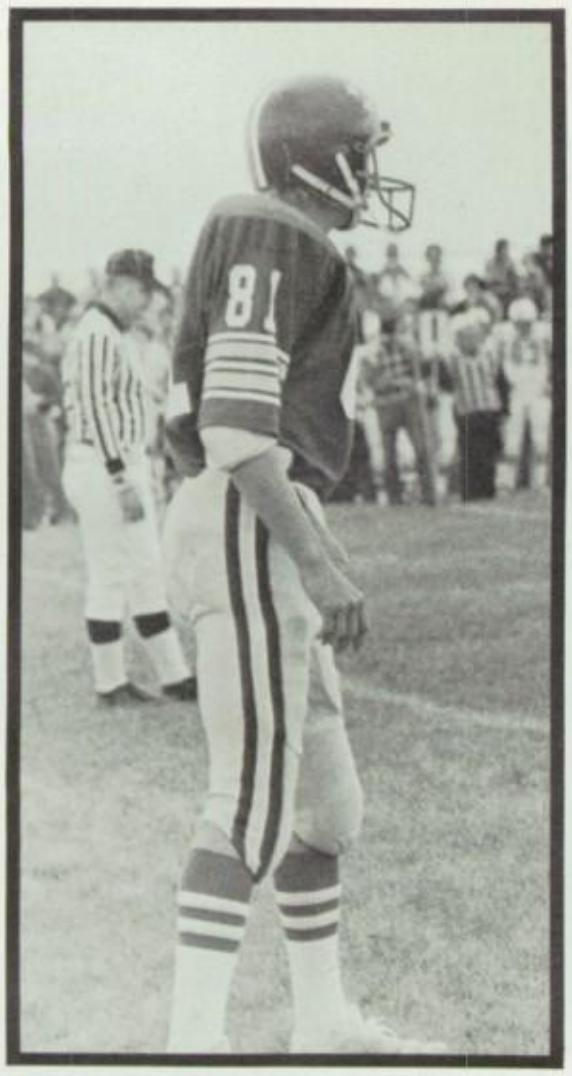
Most teams would be more than happy to end a season with an 8-1 record, not the Rockets. It just wasn't enough to send the Rockets into the playoffs.

This is the second time, in a row, that the Rockets have ended with an 8-1 record. Last year their only loss came from state champions Genoa Kingston. This year their only loss came from Hampshire, who placed second in the state championship. The Rocket's loss from Hampshire really hit them hard. Many players were injured and emotionally drained by this game, but they bounced back to finish off and win the rest of their season. The high point of the season came when Central burned Genoa 10-8 for a overdue victory.

The Rockets were led by first team All-Conference players: Roger Engel, Brad Lenschow, Rick Fredrickson, Charlie Wiskirchen, Aand Rich Wiskirchen. Bert Bentson was elected to the second team and honorable mentions were: Mark Thurow, Kent Foster, Scott Westphal, and Steve Seyller. This year's co-Captains were Bert Bentson and Charlie Wiskirchen. Receiving a two year captain award was Roger Engel. The team's most valuable players were Charlie Wiskirchen and Roger Engel.



Central Beats Genoa!

1978 Fresh-Soph Football Team

Under the leadership of coaches Art Boelke and John Lund (to the right), the Rockets finished with a tremendous winning season.

Beginning in the heat of the summer, the Rockets practiced each day with team work and determination. Their effort soon proved to pay off. The '78 Fresh-Soph team showed their strength by ending with a 7-1-1 season. At Homecoming the Rockets played Elgin High, a 5A school, which ended in a tie. A great accomplishment for a 1A school.

Bottom row: D. Barnes, G. Dorwaldt, M. Block, W. Stover, D. Hartjie, C. Miller, J. Matusik. Middle row: J. Tykol, M. Matson, S. Scott, D. Kein, C. Hampel, B. Kruse, T. Delaney. Top row: T. Neisendorf, J. Northcutt, R. Bentson, J. Harig, K. Marshall, M. Kruse, R. Gryzwa, J. Sunderlage, J. Zyburt.

This year, sophomores Mike Block and Wayne Stover were voted co-Captains. Wayne Stover was also voted Most Valuable Player. Ron Bentson lead in most yards rushing, while Mike Block had the most tackles and was leading scorer. The Outstanding Freshman of the year was voted Ron Gryzwa. The Rocket squad was very successful this year, and we look forward to an equally successful team next year.

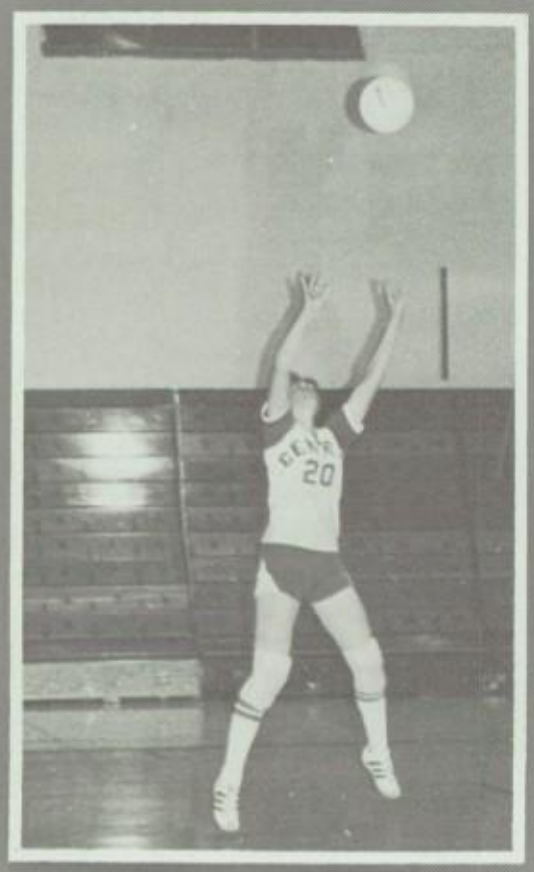
'Hardest Working, Most Dedicated Team'

The 1978-79 Varsity Volleyball team finished the season, with a fantastic Conference record of 7-2. In the Conference Tournament, the Rockets finished in second place. Their over-all record was 14-9, tournaments included. When asked how she felt about her team, Coach Zierk replied, "They were the hardest working, most dedicated team I've ever worked with. Their record really shows their efforts."

The Rockets consisted of one four year player, Theresa Braun, and two returning seniors Cathy Schultz, and Cindy Channing. The returning juniors were: Kelli Carlson, Tina Matusik, Pat Saindon, Kim Stock, and Karen Thomas. Two new members of the volleyball team were juniors Jane Campbell, Lisa Bolduan, and Claudia Liedtka.



The Fresh-Soph Volleyball season this year would not be judged a success in looking at the won-loss record, but the girls were successful in making the final transition from "bump- ball" to skilled volleyball. The Rockets should be proud of the way they played this year. Their final Conference record was 1-8. Coach Oblak said that she feels that next year the team will play better because many of the freshmen gained much experience in playing this year.

The 1979 Rockets completed their season with an 18-7 record, placed second in the conference race (7-2), and took second place in the LEC tournament. The '79 Rockets thrilled their crowds with last second victories, dunk shots and a hectic pace. The Senior oriented team was led by all-state candidates Tom Swanson and Brad Lenshow. Swanson was the leading scorer with a 18.4 average per game and Brad Lenschow hauled down 220 rebounds and averaged 15 points per game. Tim Richter led in assists with 66. Swanson, Richter, and Lenschow were also voted Tri-captains. Rick Fredrickson, Roger Engel, and Dana Christensen provided the rest of the scoring and defense.

The 1978-79 Fresh-Soph Basketball team was very successful this year. They were a team that sometimes looked like a NBA champion, and at other times looked like a group of beginners. The young Rockets compiled an overall record of 15-7 and ended their Little Eight season in 3rd place.

The Rockets were lead by a strong shooting guard, Roger Maas and another pair of quick players, Tom Crook and Wayne Stover. The height of the team came from 6'5" center, Doug Ackmann. A pair of fine forwards, Bill McMahan and Craig Hampel, provided rebounding and scoring up front.

Headed by Coach Riley and Coach Lund, the girls once again took the Little Eight Conference Championship, plus many other conference meets. The girls broke many records this season. Chris Edson broke the 110 low hurdles record; Elaine Shover the 880 yd. run; Tracy the shot put record; Lynn Miller, the 100 meter dash; and Sue Roswold, the long jump. Among their other accomplishments, Linnea Brammer placed in the district track meet, enabling her to qualify to go down state. Although Linnea did not place high down state, she still has next year, to try.

Although the bowlers started the season with a handicap, the team fared well. The majority were new to the bowling team, and there was only one returning player from last year, sophomore Jill Channing. Because of the snow, many of the meets were canceled preventing the girls from practicing for the more important meets. Next year, a more experienced team is anticipated and may be more successful.

Varsity Baseball Thrives

The Rockets thrived in the Little Eight Conference race this season, finishing second, their highest finish in six years. Coach Vincent's squad ended the season with an 8-8-1 record, and 5-2 in conference. Headed by the pitching team of: Brad Lenschow, 3-2; Kurt Stuckemeyer, 2-0; and Mike Weidner, 2-1-1; the varsity team was greatly helped to their victory. Hitting also carried the club with Don Strausberger's .500 average; Chuck Smith's .438 average; Tom Woodruff's .378 average, Scott Mattes' .353 average; and Rick Fredrickson's and Brad Lenschow's .341 average.

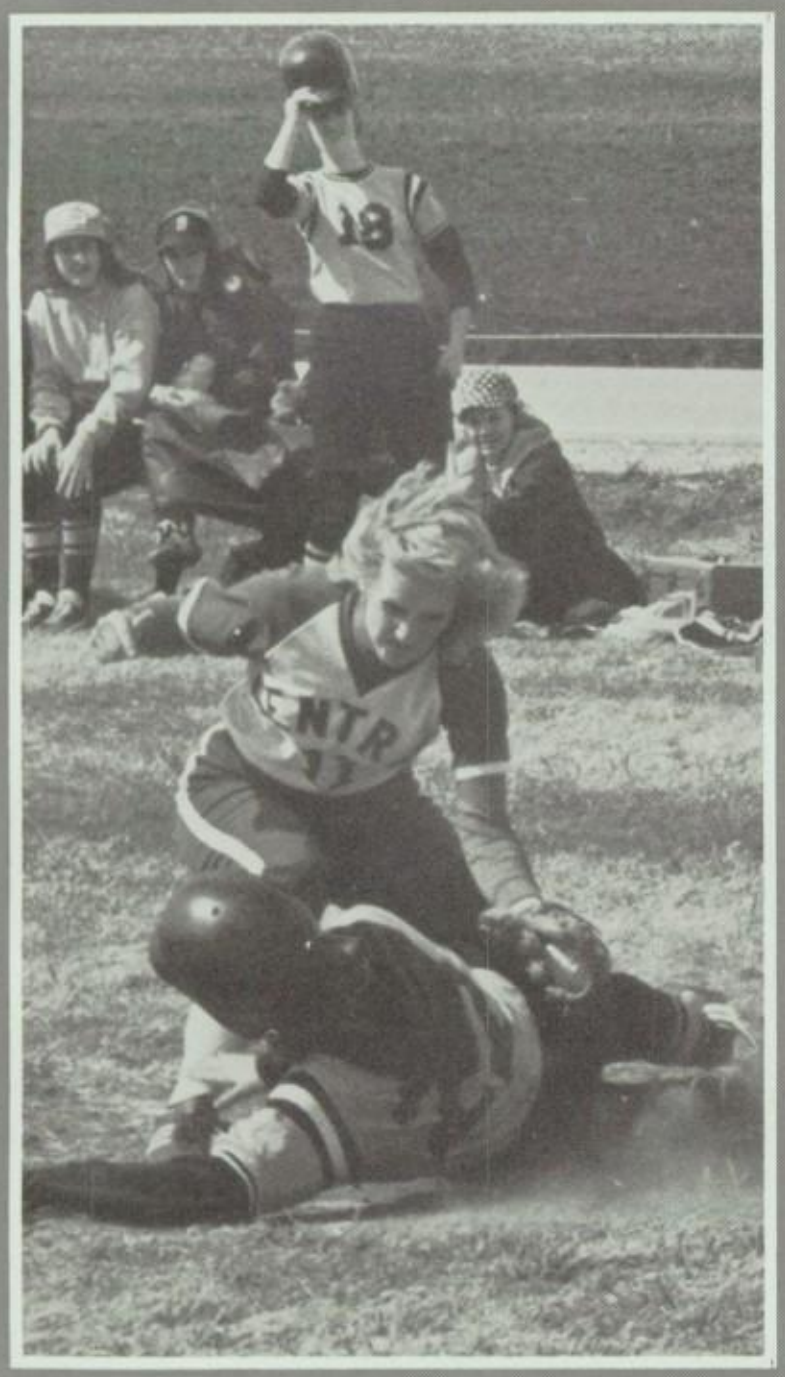
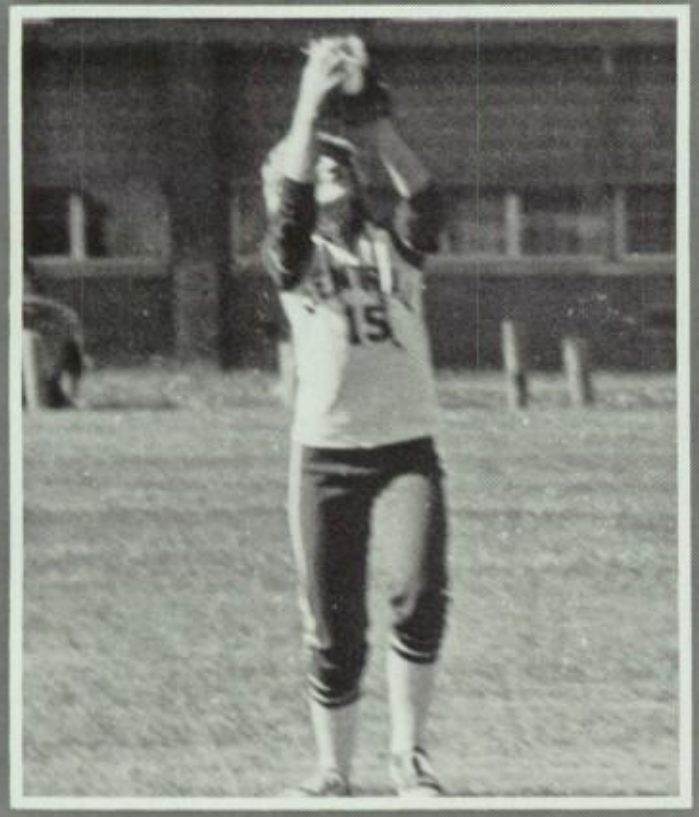
The Varsity Softball squad had an all around good season this year. The girls started out their season by playing Kaneland, Sycamore, and Genoa. These three teams were girls only real problem. The first game played against Hampshire, Central's rival, the Rockets were defeated. They then came back with two wins over Hampshire, only proving they were on top. The girls ended their season with an 8-9 record.

The Fresh-Soph Softball team had a lot to learn this year. The girls had a hard time realizing the need for much preparation for their varsity years. Although their record was not too successful, their new skills and experience proved to be a triumph. The girls had great leadership from Barb Lund, who was voted MVP, and Robin Dittman who was voted the team's Captain. They were coached by Mr. Stran and Mr. Hawkins.





Boys Track — On The Run

The boys track team had a great season this year. Among the meets they participated in, they came in first in the Little Eight Conference meet, the Ashton Relays, and their own Central Relays. As a team, the boys set a record of scoring the most points in a conference meet. Individually, they did every well. Tom Swanson broke a record by winning four events in one conference meet. Bert Bentson came in first in almost every two mile event he entered, and Kent Peplow did his share in the polevault. Leading the team to victory were Head Coach Hix and Assistant Coach Woodward.

Pom-Pon

The Central High School Pom-Pon girls really added something special to the halftimes of both our football and basketball games. They performed to such songs as: "Keep Pushin" by R.E.O. Speedwagon, "Stone Blue" by Foghat, and "Dance With Me." At Christmas, the Pom-Pon girls dressed up as little mice and performed to "Jingle The Christmas Mouse."

In August, before the beginning of school, the girls attended camp at Beaver Dam, Wisconsin. At Camp, the Pom-Pon girls won many ribbons and a third place trophy for performance. The girls earned money, this year, by having bake sales and selling popcorn jars. With this money they were able to purchase a new set of Pom-Pons with interchangeable centers. With the help of their new adviser Leitha Walling, the girls had a very enjoyable year together.

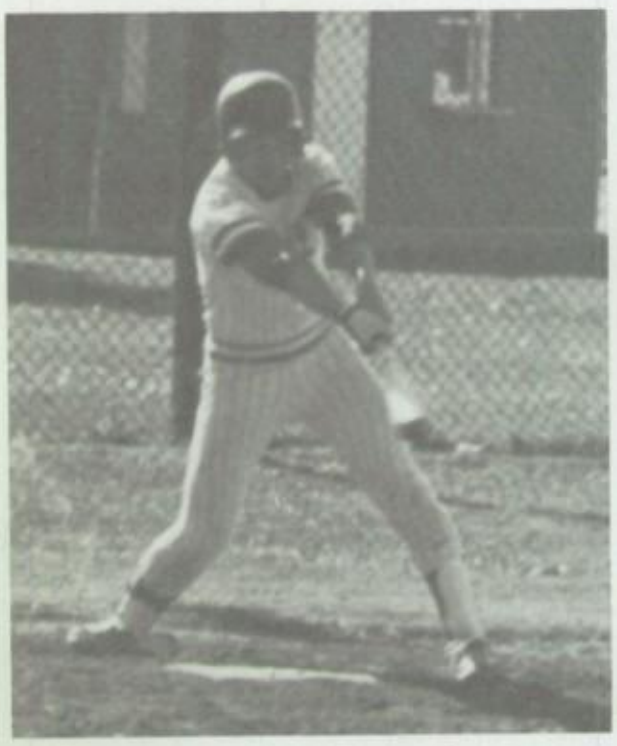
All Central Sports Flourish



Activities were an active part of the 1978-79 Central school year. There were football games and other sports to participate in and attend, at the beginning of the year. Homecoming was Central's biggest school event. Homecoming week, float building, the bon fire, the parade, the spaghetti supper, the football game and finally, the Homecoming Dance were all included in the massive festivities. There was something for everyone.

As fall became distant and winter quickly approached, everyone took an active interest in basketball. Ski Club's winter weekend excursions also proved to be most interesting and memorable. And the junior class provided a change of atmosphere by sponsoring a donkey basketball game — ride 'em Lisa! Crimson Masque provided some entertainment by presenting the play, "The House at Pooh Corner," with tremendous results. Then there was a very successful disco dance and contest. Who were the winners? And who could forget the "Blizzard of '79"? That was an activity in itself!

Spring then arrived, bringing with it a new senior lounge where backgammon was the craze and seniors lost their money. And on the 25th of May, there was Prom. Probably the most memorable of all Central activities. This marked a most tragic day in the U.S., for an American DC-10 airplane crashed at O'Hare Airport, killing some 270 people and preventing the band (for prom) from attending the Dance. Records were played, but things just weren't the same. And finally, the activity that marked the end of the 1978-79 school year — Graduation. A short hour and a half ceremony ended the four year quest of 89 graduating seniors.

Lack of student participation, though, hurt many Central plans. The Freshman Welcome Dance and the Christmas Dance were evidence of this accusation. It was decided that because of the absence of interest in these activities, in the past, they would be deleted from the curriculum.

The year, however, came to a close with the happy memories far outweighing the bad memories; and the hope of an even more successful year in 1979-80.
